

Lighthouse Hacks

Sponsorship Package

Port Credit's 100 year celebration

Overview

We are excited to bring together hundreds of talented students to Port Credit's virtual hackathon. Over the course of 36 hours, hackers will compete to create a project that best answers the prompt, "create something to improve student life". Although we are targeting Port Credit Secondary School students, the hackathon is open to high school students from across the globe.

In order to make this event possible, we need sponsors like you. With your contributions, we will be able to make Lighthouse Hacks a fantastic experience!

DATE

April 24 - April 25

PARTICIPANT TARGET

300 high school students

Why Sponsor?

> Workshops

Lighthouse Hacks is the perfect event to advertise your products and APIs to a relevant audience through interactive workshops and tech demos

> Recruitment

Hackathons attract many passion-driven students, which can prove useful for your company. You will get the opportunity to meet with and access their resumes, emails, GitHubs, and LinkedIn's

> Exposure

Gain brand and company recognition from a young demographic. Your company will be featured across a wide range of platforms, including Instagram, Discord, Devpost, lighthousehacks.ca, as well as the opening and closing ceremony live streams.

> Investments

Some projects can evolve into amazing products that could be worth investing in for your company. Many hackathon ideas have grown to become successful start-ups and companies.
